

Networking by Program Type: Basic Center Program

David K. Durr MSW LISW-S

Insights from the field

- External Forces have had a dramatic effect on Basic Center Programs in 2020
(COVID-19, Civil Unrest, Funding)
- This has dramatically impacted how most Basic Center Programs are Functioning
(Procedures, Precautions, Programming, Safety, Staffing, Partnerships, Layout)
- What we thought was going to be a short term challenge has become a marathon
(Staff fatigue, Strained partnerships, Evolving responses)

Networking Discussion Questions

- What are your successes that you would like to share?
- What are the challenges you are still working through?
- What golden nugget would you like to take home?
